

Press Release for Immediate Publication:

Trujet starts Hyderabad-Cuddapah-Hyderabad, Cuddapah-Tirupati operations from Apr 08.

Hyderabad, Apr 07, 2016:

Trujet, a regional airline based out of Hyderabad, today announced the beginning of operations of new sectors **Hyderabad-Cuddapah-Hyderabad and Cuddapah-Tirupati**. Trujet will be the only airline to operate flights on these sectors starting **April 08th**.

Mr. Vankayalapati Umesh, Managing Director, Turbo Megha Airways Pvt. Ltd, said “**We are extremely happy to operate to connect the city of Cuddapah to Hyderabad after a gap of more than 25 years!** Vayudoot was the last operator to connect Cuddapah with Hyderabad in late 1980s. Since then, this great city has been neglected by airlines and therefore we are very proud to put the city back on air map.

We are launching from Friday Apr 08 with four days a week operations and are hopeful that depending on the positive response we would be able to expand it to daily flight soon. We are also providing connectivity from Nagpur to Cuddapah and connectivity from Cuddapah to Goa and Rajahmundry via Hyderabad. Further, Cuddapah-Vijayawada-Cuddapah operations are also starting from May 03 and the bookings are open. In near future, plans are afoot to provide connectivity from Cuddapah to Chennai, Bengaluru, Vijayawada, and Shirdi (Aurangabad). We are very sure that the city of Cuddapah will welcome Trujet with huge response.”

The Airline currently operates a set of ATR-72 aircrafts and has acquired the third aircraft of the same type. The latest aircraft will operate the new sectors.
